

## WHAT WE DO

### → Commercial

Design Build and Design Assist  
Power and Lighting Controls  
Energy Management and Emergency Power  
Renewable Solar Energy Battery Storage

### → Industrial

Electrical Distribution  
Cable, Cable Trays, and Conduit  
Lighting Controls and Automation Systems

### → Low-voltage, Telecom and IT systems

Nurse Call and Fire Alarm  
Audio/Visual  
Security and Card-Access  
Voice/Data Networks  
Network Engineering and Integration  
Fiber Optic Cabling - Aerial and In Conduit

### → Utilities

Switching Stations and Substations  
Power Transmission and Distribution  
Cogeneration and Power Plant Construction

### → Facilities Maintenance

## WHERE WE DO IT

### → Biotech/Healthcare

### → Commercial

### → Education/Entertainment/Hospitality

### → Manufacturing/Industrial

### → Public/Government

### → Technology

## EQUAL OPPORTUNITY EMPLOYER

Contra Costa Electric is committed to creating a diverse environment and is proud to be an equal opportunity employer. Individuals seeking employment are considered without regards to race, religion, creed, color, national origin, age, gender, marital status, ancestry, disability, veteran status, sexual orientation, or any other characteristics protected by law. Employment with CCE is based on individual merit and qualifications directly related to professional competence.

## CONTRA COSTA ELECTRIC RENEWABLE ENERGY SERVICES

# Delivering the Latest in Efficient, Reliable, and Eco-Friendly Energy Solutions

Contra Costa Electric offers a wide range of renewable energy and energy retrofit solutions from experienced professionals. We understand the complex nature of constructing and supporting renewable energy projects and have proven experience providing energy solutions that deliver reliable performance and outstanding long-term value—even in the most extreme environments.

### Why choose Contra Costa Electric?

- Proven record of success throughout our 70 years in the industry
- Experience installing hundreds of acres of solar panels across California
- Leverage cutting-edge technologies, including the latest photovoltaic, micro-grid, and energy storage innovations
- Long-standing working relationships with region's utility providers
- LEED-accredited experts with vast experience in renewables and energy management
- ISO 9001:2015 certification
- Design-build and design-assist capabilities
- In-house engineering support
- Multiple industry safety recognitions

### Your Single-Source for Renewable and Energy Services

- Solar panel installation and services
- Energy storage, including but not limited to battery storage systems
- Micro-grid services
- Vehicle charging stations
- Energy retrofits and Leadership in Energy and Environmental Design (LEED) certification
- Utility connections and grid tie-ins
- Geo-thermal and hydro-generation design, installation and maintenance

# CONTRA COSTA ELECTRIC RENEWABLE ENERGY SERVICES

## Installing the Latest in Solar and Photovoltaic Technologies

Photovoltaic technologies—as well as the utility grids they are attached to—are constantly evolving. With vast experience installing ground-up solar projects as well as add-ons to existing facilities, our team helps clients make informed, intelligent decisions about the solar solutions they need.

Our solar services include:

- Module installs
- Controls
- DC and AC wiring
- Testing and start-up
- Utility inter-connect and grounding

## Proven Efficiency Solutions, from Certified Energy Experts

From upgrading power systems to redesigning lighting to incorporating renewables and more, we utilize well-defined, forward-thinking energy management solutions that help reduce energy consumption and positively affect your bottom line. And, our accredited energy professionals are ready to support green design, integrate systems and subsystems to LEED standards, and expedite LEED certification.

## WHAT CAN WE DO FOR YOU?

### Contra Costa Electric

#### Martinez Office

825 Howe Road  
Martinez, CA 94553  
925.229.4250

#### Bakersfield Office

3208 Landco Drive  
Bakersfield, CA 93308  
661.322.4036

#### Fresno Office

4690 E. Carmen Avenue  
Fresno, CA 93703
